O R D E R:

Whereas in the G.O. 1st read above, A.P. Treasury (Sub) Service Rules have been issued wherein certain academic qualifications were prescribed to the post of Junior Accountants among other categories in A.P. T & A Service.

2. Whereas in the G.O. 2nd read above, orders have been issued prescribing Typewriting English Higher Grade qualification for the post of Junior Accountant in A.P. Treasury (Sub) Service Rules.

3. According to the orders issued in G.O. 3rd read above, compassionate appointments were being considered under the scheme of Social Security measures, subject to the condition that they should acquire such qualification within two years after such appointment where typewriting is an essential qualification, the candidates who do not possess these qualifications

4. According to the orders issued vide G.O. 4th read above, if the individual could not acquire the said Typewriting qualification within the stipulated period, two more years were also allowed as grace period. According to para 6 of the said G.O., if the candidate concerned fails to acquire the requisite qualification of typewriting even within the extended grace period, then the individual may be considered for appointment to lower post such as an Attender as a fresh candidate after obtaining his/her willingness. If the individual is not willing to take the lower post, it shall be treated that there are no compelling reasons of poverty and such candidate be discharged from service.

5. Government have also issued orders vide G.O. 5th read above, granting one time exemption to 24 Junior Accountants in T & A Service from passing the Typewriting English Higher Grade qualification as per the agreement reached between the Government and the A.P. Treasury Service Association subject to substituting the said Typewriting qualification to that of certificate courses in computers.

6. Government have also issued orders in G.O. 6th read above substituting the Certificate courses in Computers to Typewriting English Higher grade qualification. Accordingly, the DTA has also placed indent with the A.P. Public Service Commission for the posts of Senior Accountant/Junior Accountant prescribing the said Computer qualifications.

7. The A.P. Treasury Service Association is representing from time to time for grant of one time exemption from acquiring Typewriting qualification in respect of the individuals appointed on compassionate grounds since a long time. On detailed discussion with the A.P. Treasury Service Association, Hyderabad and D.T.A., Hyderabad Government have agreed

a) to impart the computer training in the induction training programme to the in-service employees in consultation with the Dr. MCRHRD Institute for the in-service employees to be promoted to J.As./S.As. instead of acquiring Computer qualification and the matter is in correspondence with the MCR & HRD Institute, Hyderabad.

b) to consider the request of Association for one time exemption for acquiring qualification of typewriting and Computer qualification in respect of compassionate appointees who were appointed prior to the issue of G.O.Ms.No.268, dated 27-10-2007 subject to the condition that the A.P.T.S.A. will not request or demand for such exemptions or relaxations in future.

8. Accordingly in the reference 8th read above, the Association has given undertaking to the effect they will not renew their request of granting exemption of any qualification in future to the members of their Association.

9. Government, after careful examination of the matter, noticed that due to lack of Typewriting Institutions the candidates who were appointed on compassionate grounds are not able to get themselves qualified with the Typewriting English Higher Grade and also by attending the classes out of the office hours in addition to attending to their family problems as a result of which they continue to be as temporary employees without regularizing their services, though their juniors have been regularized.

10. Government have also noticed that there is a striking anomalous position with regard to regularization of the services of Junior Accountants in the A.P. Treasury & Accountants Department. Prior to 26-10-2007, the Junior Accountants had to acquire a higher grade typewriting in English. From 27-10-2007 this qualification was changed and the individuals were required to qualify the certificate course in computers as prescribed in G.O. 6th read above. As the Institutions imparting such computer courses are available only at District Headquarters and the employees appointed on compassionate grounds were facing great difficulty to acquire such qualifications by sparing out of office hours which is at a very long distance from their work place. Also noticed that the certificate courses in computers prescribed in G.O. 6th read above is on high side and it will not be relevant to the day to day administration of the Treasury personnel. Hence, it has been decided to grant one time exemption from acquiring Typewriting English Higher Grade/Certificate course in computers courses in respect of Junior Accountants appointed on compassionate grounds in T & A Service and working as on 27-10-2007.

11. Now, therefore, in exercise of the powers conferred under rule 31 of the A.P. State & Subordinate Service Rules, 1996, the Governor of Andhra Pradesh hereby relaxes as one time measure from passing Typewriting English Higher Grade/Certificate courses in computers to the Junior Accountants appointed on compassionate grounds in T & A Service and working as on 27-10-2007 but could not acquire the said qualifications in relaxation of Rule 6 of A.P. Treasury (Sub) Service Rules, issued in G.O. 1st, 2nd and 6th read above, in favour of the 46 individuals shown in the Annexure to this order.

12. The Director of Treasuries & Accounts, Hyderabad shall take necessary action in the matter accordingly.
